

Building Effective Teams (LS6)

A one-day learning module
Prerequisites: LS1, LS2, LS3

The Transformational Leadership Skills Program:

Leaders make tomorrow different from today by conscious intention. Leadership happens throughout organizations, not just at the top. Everyone has a leadership horizon and everyone can increase it. How big your leadership horizon gets depends on the leadership skills you have and exercise. TLS is a program of sharing and learning with experts. It enhances your skills for engaging in leadership activities and producing leadership results. All training includes one hour of telephone coaching to get you launched after the course.

This Learning Module:

Building Effective Teams (LS6)

Teams are groups of people who are thinking and acting together for a specific purpose with common intentions, goals, methodologies and time frame. They are often evolving elements of complex organizational systems. This learning module leads to bonding, confidence building and developing intuitive knowledge among team members and to identify and to clarify the team's tasks and purposes.

Do you need to:

- Create task forces and committees?
- Maximize participation in projects?
- Motivate or sustain coalitions and partnerships?
- Launch short-term tasks?
- Enhance teamwork and staff morale?

If the answer to any of the above is YES then you need
Building Effective Teams.

Building Effective Teams is an essential aspect of all work situations. Success in teamwork, particularly self-directed teamwork, depends on participation. This learning module provides you with effective skills for creating and enhancing the effective, efficient and productive operation of teams in any situation.
